

<p>Title:</p> <p>Author:</p> <p>Journal/Site:</p> <p>Date Published:</p>	
<p>Step 1. Read the article closely noting ethical, moral and civil issues raised</p>	
<p>Step 2 Briefly describe the nanotech science addressed in the article</p>	
<p>Step 3 Make a list the moral, ethical and legal issues.</p>	
<p>Step 4 Notate by each issue, the possible ways in which you think the Torah may speak to the issue</p>	
<p>Step 5 Select the Jewish issue(s)/value(s)/law(s) that you will research and present.</p>	
<p>Step 6 Create a bibliography of citations that you will reference</p>	
<p>Step 7 Prepare and present your narrative connecting the results of your citation research to your listed issues raised above. Present your rationale.</p>	
<p>Step 8 Present your '10 year from now' vision</p>
